

Co-Curricular Participation Activity Fee List

The activity fee covers a student's ability to participate in his/her chosen activity. It does not guarantee equal playing time or participation time. The fee does not cover other costs associated with being a member of a team or activity. All co-curricular fees must be paid prior to the first contest of the season or within two weeks after the first day the activity/team starts, whichever is sooner.

Co-curricular activities may have additional fees charged by the sponsor/coach to ensure the program continues to run successfully. Students who qualify for fee waivers will have these co-curricular fees waived.
