INTERNSHIP PROGRAM**

The student named below has applied for participation in the District 214 Summer Internship Program. Please give us your feedback on this student. Having a teachers complete and submit this form is an essential part of the Summer Internship Application. **Any student information you provide will be confidential.**

In accordance with the District 214 Career and Life Plan proposal, students will acquire career experiences through part-time employment, volunteering experiences, and/or mentorships. We are offering an opportunity for students to participate in internship activities which will focus on their specific career interest. These supplemental learning experiences will give students opportunities to explore and fit themselves into the world of opportunity beyond the high school classroom. It will afford students hands-on learning that cannot be replicated in the classroom.

District 214 students who are interested in various careers will be able to pursue their interests at businesses and corporations throughout the north and northwest suburbs. District 214 and the various businesses have collaboratively developed an Internship Program for high school students. These programs are designed to give students an opportunity to learn about a career and apply this information to their life and career plans.

These programs are for students who will be entering their junior or senior year of high school and who (1) are extremely committed to pursuing a career in their selected internship, and (2) have the knowledge, skill, dedication and spirit required to engage in a very rigorous and challenging authentic learning experience.
