Please Return This Application to Mr. Wong by January 20<sup>th</sup>, 2017

Send completed applications to:

Jonathan Wong  
WildStang Robotics Team Lead  
Elk Grove High School  
500 W Elk Grove  
Elk Grove Village, IL 60070

Alternatively, you can scan and email your application to: [jonathan.wong@d214.org](mailto:jonathan.wong@d214.org)

If you have any questions, please feel free to email: [jonathan.wong@d214.org](mailto:jonathan.wong@d214.org)

# WILDSTANG Robotics Team Application for 2017-2018

Students must complete both sides of this application. Please be detailed with your response, and take the application seriously. Not all students interested can be on the team, and your answers to these questions matter.

- 1) Why do you want to be a member of the WildStang Robotics Team?
- 2) What current and past co-curricular activities have you participated in?
- 3) During the build season, it is not uncommon for students to devote 10 or more hours per week towards the team. How do you feel about your ability to balance school, work and participation in robotics?
- 4) Have you taken any courses related to engineering, computer science, or STEM? And what are your interests and skills related to these areas?
- 5) Is there any other information that you believe is important to share?
