

Township High School District 214 Assessments 2017-2018

District 214 administers assessments to its students to provide them, their parents, and their high schools' staff with performance information. The information is used for:

- Placement in appropriate courses
- Identifying the need for additional instruction
- Monitoring student growth
- Determining the extent to which students are meeting district and state standards
- Providing information to enrich the curriculum and instruction
- Providing information for making post-secondary educational and vocational decisions

District 214 is committed to:

- Providing frequent, purposeful, appropriate, and fair assessments accompanied by timely feedback
- Helping students and parents make good use of assessment data in their decision making processes
- Helping district staff understand and effectively utilize assessment data

Township High School District 214 coordinates district-wide assessment programs for high school students.

1. **District 214 High School Assessment Program** that aids the district in evaluating the relevancy and effectiveness of its educational programs and the extent to which it is fulfilling its mission to students.
2. **State of Illinois Assessment Program** that complies with the requirements of the State Board of Education.
3. **College-Bound Assessments** aid students in making decisions with regards to their college plans. These are assessments such as the National ACT and SAT where students register for the test online.

This pamphlet describes the assessments, target population, date and place for each assessment. Current fees shown for optional tests are subject to change.

Testing Accommodations

If your student requires accommodations for testing under an IEP or 504 plan and will register for one of the optional assessments, please contact the counselor or case manager in your school at the beginning of the school year to learn how to apply for accommodations for the specific tests.

District 214 High School Assessment Program

PSAT 8/9 is one of the assessments in the College Board's SAT Suite of Assessments. The PSAT 8/9 measures the knowledge and skills that research shows are most essential for college and career readiness and success, at the level of content and skill appropriate for 8th and 9th grade. The assessment includes Reading, Writing and Language, and Math.

College-Bound Assessments

ACT measures educational development in English, mathematics, reading and science reasoning and an optional writing test. This assessment measures skills necessary for success in post-secondary educational settings, including students' reasoning abilities and knowledge of subject matter fields. The ACT also has an interest inventory that allows students to evaluate their interests in various career areas. Although optional, this test or the SAT is required for admission by many post-secondary institutions. For more information and to register, visit www.act.org/path/parent/.

Target Population: Predominantly college-bound 11th and 12th grade students.

Fee: approximately \$42.50 (writing test additional \$16).

District 214 has applied to offer the following test dates. At this point the dates may not all be finalized. ACT determines the locations of the tests. All test dates are Saturdays.
