RESIDENCY VERIFICATION ENHANCEMENT

March 2021

District 214 has moved to a more efficient residency verification process for parents. Verifying residency is done to protect taxpayers and District resources by identifying non-residents attending District 214 schools.

The District is contracting with a third-party vendor to verify student address data. The vendor will use a parent's name and address to crosscheck the information against other public electronic databases, such as utility companies. It is anticipated the overwhelming majority of families will have their residency substantiated electronically.

Once verified, each household will receive an emailed confirmation and there will be no need to submit additional paperwork certifying residency within the district's boundaries.

A communication will be sent to families whose residency was not able to be verified electronically. Details will be provided on the documentation needed in order to complete registration and verify residency for the upcoming school year.

Please contact your Associate Principal of Operations with any questions or concerns regarding this streamlined process for our parents.

Respectfully,

Cathy Johnson

Township High School District 214 Residency Verification 2021-22

We look forward to your student joining the District 214 schools for the first full day of classes **Wednesday, August 11, 2021**. As you know, District 214 utilized an electronic residency verification process for students. As described in Board Policy, students who attend our schools must reside within the district’s boundaries. Verifying residency helps us to protect district taxpayers by ensuring that resources are spent only on students who live within the D214 community.

You are receiving this message to inform you that your residency within District 214’s boundaries unfortunately could not be verified electronically. As a result, you are required to provide documentation to verify that you are a resident within your school’s boundaries before your child can register for, or attend school next school year. Below is a list of the necessary documents that must be provided. **In order for your child to attend school next year, you must verify your residency prior to July 15, 2021.**

OR

Category C If NONE of the items in Categories A or B are applicable, you will need to contact the main office at your school.

- If you fail to prove residency by July 15, 2021, you cannot be considered a District 214 student and a schedule will not be provided.
- This includes off-site placement special education students.

Although we regret this initial inconvenience, we recognize that you join us in our commitment to protecting our educational resources so that we can provide the very best learning opportunities for the children who live in our district.

MEJORA DE VERIFICACIÓN DE RESIDENCIA RESIDENCY VERIFICATION ENHANCEMENT

Marzo 2021

El distrito 214 se ha movido a un proceso de verificación de residencia más eficiente para los padres. Se verifica la residencia para proteger a los contribuyentes y los recursos del Distrito al identificar a los no residentes que asisten a las escuelas del Distrito 214.

El Distrito está contratando a un proveedor externo para verificar los datos de la dirección de los estudiantes. El proveedor usará el nombre y la dirección de un padre para verificar la información con otras bases de datos electrónicas públicas, como las compañías de servicios públicos. Se anticipa que la abrumadora mayoría de las familias tendrá su residencia comprobada electrónicamente.

Una vez verificado, cada hogar recibirá una confirmación por correo electrónico y no habrá necesidad de presentar documentación adicional que certifique la residencia dentro de los límites del distrito.

Se enviará una comunicación a las familias cuya residencia no pudo ser verificada electrónicamente. Se proporcionarán detalles sobre la documentación necesaria para completar el registro y verificar la residencia para el próximo año escolar.

Comuníquese con su Director de Operaciones Asociado si tiene alguna pregunta o inquietud con respecto a este proceso simplificado para nuestros padres.

Respetuosamente,

Cathy Johnson
Superintendente Asociado de Finanzas y Operaciones

Si la residencia no se puede verificar electrónicamente, la escuela de su hijo le notificará y deberá proporcionar la documentación que se detalla a continuación:

Categoría A (al menos UNO de los siguientes documentos):

- Factura/declaración más reciente de la hipoteca
- Factura más reciente de impuestos de bienes raíces
- Documento de escritura/compraventa para propiedad inmobiliaria
- Documento de compraventa para la compra de residencia
- Contrato de arrendamiento de mi residencia firmado por el propietario/arrendatario

Y

Categoría B (al menos DOS de los siguientes puntos):

- Licencia de conducir con la dirección actual
- Factura de servicios públicos (gas, agua, electricidad o cable)
- Tarjeta de Asistencia Pública
- Tarjeta de registro de votante
- Registro de Automóvil - Estado de Illinois
- Recibo de la calcomanía vehicular de la ciudad

O

Categoría C si NINGUNO de los puntos en las categorías A o B aplican, usted tendrá que ponerse en contacto con la oficina principal de su escuela.

Un certificado de nacimiento original, pasaporte o visa se requiere para ser presentado.

Un certificado de nacimiento original, pasaporte o visa se requiere para ser presentado.

Township High School District 214 utiliza un Proceso de registro y pago de cargos en línea. Una vez se complete la verificación de residencia, usted podrá completar su registro en casa o en cualquier lugar donde usted tenga acceso a Internet. Se establecerán kioscos en la escuela de su hijo para ayudarle. **El registro en línea comenzará en junio/julio. En una fecha posterior se enviará más información sobre el proceso de registro.**

Los estudiantes que asisten a escuelas alternativas o programas fuera del distrito deben verificar la residencia, registrarse, pagar los cargos, y solicitar la exención de cargos en la oficina principal de su escuela respectiva. Es imperativo que todos los estudiantes, sin importar donde asisten a la escuela, completen estos procesos en su escuela. El hecho de no registrarse dentro de los plazos adecuados dará lugar a la suspensión de todos los servicios, incluido el transporte.

Township High School District 214 Verificación de residencia 2021-22

Esperamos que su estudiante se una a las escuelas del Distrito 214 para el primer día completo de clases **Miércoles 11 de agosto de 2021**. Como saben, el Distrito 214 utilizó un proceso electrónico de verificación de residencia para los estudiantes. Como se describe en la Política de la Junta, los estudiantes que asisten a nuestras escuelas deben residir dentro de los límites del distrito. Verificar la residencia nos ayuda a proteger a los contribuyentes del distrito al garantizar que los recursos se gasten solo en los estudiantes que viven dentro de la comunidad D214.

Recibe este mensaje para informarle que su residencia dentro de los límites del Distrito 214 lamentablemente no pudo ser verificada electrónicamente. Como resultado, debe de disponer documentación para verificar que es residente dentro de los límites de su escuela antes de que su hijo pueda inscribirse o asistir a la escuela el próximo año escolar. A continuación se muestra una lista de los documentos necesarios que se deben disponer. **Para que su hijo asista a la escuela el próximo año, debe verificar su residencia antes del 15 de julio de 2021.**

Categoría A (Al menos **UNO** de los siguientes documentos):

- Factura / estado de cuenta de la hipoteca más reciente
- La más reciente factura de impuestos inmobiliarios
- Declaración final para la compra de la residencia.
- Escritura / documento de cierre de bienes inmuebles
- Arrendamiento de apartamento firmado para mi residencia del propietario / arrendatario

Y

Categoría B (Al menos **DOS** de los siguientes elementos):

- Factura actual de servicios públicos (gas, agua, electricidad o cable)
- Tarjeta de ayuda pública
- Tarjeta de registro de votante
- Registro de automóviles - Estado de Illinois
- Recibo de etiqueta de la ciudad del vehículo

O

Categoría C (Si NINGUNO de los artículos en las Categorías A o B son aplicables, deberá comunicarse con la oficina principal de su escuela.)

- Si no prueba la residencia antes del 15 de julio de 2021, no puede ser considerado un estudiante del Distrito 214 y no se proporcionará un horario.
- Esto incluye la colocación fuera del sitio de estudiantes de educación especial.

Aunque lamentamos esta inconveniencia inicial, reconocemos que usted se une a nuestro compromiso de proteger nuestros recursos educativos para que podamos brindar las mejores oportunidades de aprendizaje para los niños que viven en nuestro distrito.

El municipio de la escuela secundaria del distrito 214 utiliza un proceso de registro y pago de tarifas en línea. Una vez que se complete la verificación de residencia, podrá completar su registro en su hogar o en cualquier lugar donde tenga acceso a Internet. Se instalarán kioscos en la escuela de su hijo para

ayudarlo. La inscripción en línea comenzará en junio. Se enviará más información sobre el proceso de registro en una fecha posterior.

Estudiantes que asisten a escuelas o programas alternativos fuera del distrito están obligados a verificar la residencia, registrarse, pagar tarifas y solicitar exenciones de tarifas en la oficina principal de su escuela principal respectiva. Es imperativo que todos los estudiantes, independientemente de dónde asistan a la escuela, completen estos procesos en su escuela de origen. Si no se registra dentro de los plazos apropiados, se suspenderán todos los servicios, incluido el transporte.

Este es un momento emocionante para su estudiante. ¡Trabajaremos duro para que esta transición sea lo más fluido posible y exitosa cada uno de sus años de escuela secundaria!

For the purposes of this policy, "school fees" mean any monetary charge collected by the school or district from a student or the parent/guardian as a prerequisite for the student's participation in any curricular or cocurricular program of the school or district. A school does not impose a "fee" when it requires that students provide their own ordinary supplies or materials (e.g., pencil, paper, notebooks), which are necessary to participate in any curricular or cocurricular program.

"School Fees" include, but are not limited to, the following:

- a. Charges for required textbooks and instructional materials.
- b. Charges and deposits collected by a school for use of school property (e.g., locks, towels, laboratory equipment).
- c. Charges for field trips made during school hours, or made after school hours if the field trip is a required or customary part of a class or cocurricular activity (e.g., annually scheduled trips to museums, concerts, places of business and industry or field trips related to instruction in social studies, the fine arts, career/vocational education or the sciences).

- k. Only students who receive a District 214 "fee waiver" are eligible for waiver of camp tuition. Only the camp tuition is waived. All students must pay the registration fee and other camp fees (i.e., shirt, league, and "other").

"School Fees" do not include:

- a. Library fines and other charges made for the loss, misuse, or destruction of school property (e.g. iPad, musical instruments).
- b. Charges for the purchase of class rings, yearbooks, pictures, diploma covers or similar items.
- c. Charges for optional travel undertaken by a school club or group of students outside of school hours (e.g., a trip to Spain by the Spanish Club or a senior class trip).
- d. Charges for admission to school dances, athletic events or other social events.
- e. Optional community service programs for which fees are charged (e.g., preschool, before and after school child care, recreational programs).
- f. Optional fees or charges such as parking passes.

HOW TO APPLY:

Applications for fee waivers are available in the Infinite Campus Portal using the Meal Benefits Application. Once completed, an eligibility determination will be sent within 10 days. No fee shall be collected from any parent/guardian who is seeking a fee waiver in accordance with this policy until they have been notified of the District's decision regarding the request or appeal, if one is made.

You are advised that Illinois law 720 ILCS 5/17-6 provides that supplying false information to obtain a fee waiver is a Class 4 Felony. If the amount of the benefit is over \$300, it is a Class 3 Felony.

If your request is denied, or a subsequent decrease in family income occurs, you may reapply for a waiver at any time during the school year.

A denial of a waiver request may be appealed to the Associate Superintendent for Finance & Operations by submitting a completed appeal form within two weeks of the denial. A decision will be mailed to the parents within thirty (30) calendar days of the receipt of the request. If this appeal is denied, a waiver request may be appealed to the Board of Education by submitting the completed appeal form to the Superintendent within two weeks of the denial. If appealed, the Board of Education will consider such appeals within thirty (30) calendar days of the receipt of the appeal request. A parent/guardian has the right to meet with the Board of Education to explain their reasons for the fee waiver to be granted. The Board will notify the parent/guardian in writing of its decision, including its reasons if it denies the appeal request. The decision of the Board of Education is final and binding.

Any questions regarding the fee waiver request process should be addressed to the main office of your child's school.

Sincerely,

Cathy Johnson

Número de personas en la vivienda	Ingreso anual	Ingreso Mensual	Ingreso Semanal
1	\$16,744	\$1,396	\$322

Por cada miembro adicional de la familia, añada	+\$5,902	+\$492	+\$114

2. Las experiencias familiares son relevantes debido a enfermedad severa o lesión familiar.

La evidencia escrita de elegibilidad será requerida a cada persona que solicite exención por estas razones.

Para los propósitos de esta política, "las cuotas escolares" significan cualquier cobro monetario recaudado por la escuela o por el Distrito de un estudiante o de un padre/tutor como prerrequisito para la participación de los estudiantes en cualquier programa curricular o extracurricular de la escuela o del distrito. Una escuela no impone una "cuota" cuando se requiera que los estudiantes suministren sus propios suministros o materiales (Ej. Lápiz, papel, cuadernos), que son necesarias para participar en cualquier programa curricular o extracurricular.

"Las cuotas escolares" incluyen, pero sin limitarse, los siguientes:

- a. Los cobros por los libros de texto requeridos y los materiales de enseñanza.
- b. Los cobros y depósitos recaudados por la escuela por el uso de la propiedad escolar (Ej. candados, toallas, equipo de laboratorio).
- c. Cobros por los viajes de campo durante las horas escolares, o hechos después de las horas escolares si se requiere o como se acostumbre en parte de una clase o de una actividad extracurricular (Ej. Viajes programados anualmente a museos, conciertos, lugares comerciales o industriales o por viajes de campo relacionados a la enseñanza de los estudios sociales, bellas artes, educación vocacional o las ciencias).
- d. Cargos o depósitos para uniformes o equipo relacionado la escuela, deportes escolares, o para programas de bellas artes.
- e. Cobros para participar en actividades extracurriculares.
- f. Cobros para útiles requeridos para una clase particular (Ej. Materiales caseros económicos, o suministros para el laboratorio o para artes).
- g. Pago para graduación (Ej. birrete, togas).
- h. Cuota por registros escolares.
- i. Cuota para la educación del conductor en cumplimiento de la sección 27-24.2 del Código Escolar.
- j. Las tarifas escolares D214 incluyen un dispositivo de tecnología y un costo de seguro del dispositivo.
- k. Solo los estudiantes que reciben una "exención de cuotas" del Distrito 214 son elegibles para la exención de la matrícula del campamento. Solo se renuncia a la matrícula del campamento. Todos los estudiantes deben pagar la tarifa de inscripción y otras tarifas del campamento (es decir, camiseta, liga y "otros").

"Las cuotas escolares" no incluyen:

- a. Las multas escolares y otros cobros hechos por la pérdida, uso indebido, o destrucción de la propiedad escolar (Ej. iPad, Instrumentos musicales).
- b. Cobros por la compra de timbres de clase, anuarios, cuadros, cubiertas de diplomas o artículos similares.
- c. Cobros por un viaje opcional de un club escolar o grupo de estudiantes por fuera de las horas de clases (Ej. Un viaje a España por el club de español o un viaje de una clase mayor).
- d. Cobros por admisión a las danzas escolares, eventos atléticos u otros eventos sociales.
- e. Programas de servicio de Comunidad opcional por las cuales se cobra cuota (Ej. Preescolar, cuidado infantil escolar, programas recreativos).
- f. Cuotas o cargos como para pases de estacionamiento son opcionales

Cómo Aplicar:

Las solicitudes para exenciones de pago están disponibles en el Portal del Campus Infinito usando la aplicación de beneficios de comidas. Una vez completada, se enviará una determinación de elegibilidad dentro de los 10 días. No se cobrará ninguna tarifa a ningún padre/tutor que esté buscando una exención de tarifas de acuerdo con esta política hasta que hayan sido notificados de la decisión del Distrito con respecto a la petición o apelación, si se hace una.

Se le informa que la ley de Illinois 720 ILCS 5/17-6 establece que el suministro de información falsa para obtener una exención de pago es un delito grave de clase 4. Si la cantidad del beneficio es de más de \$300, es un delito grave de clase 3.

Si su solicitud es denegada, o si se produce una disminución subsiguiente en los ingresos familiares, puede solicitar una exención en cualquier momento durante el año escolar.

Una negación de una solicitud de exención se puede apelar al superintendente adjunto para los Servicios Estudiantiles entregando un formulario completo de apelación dentro de las dos semanas de la negación. La decisión será enviada por correo a los padres dentro de los treinta (30) días calendario de la recepción de la petición. El padre/tutor tiene el derecho a reunirse con la Junta de Educación para explicar por qué se le debería otorgar la exención de pago. La junta notificará al padre/tutor por escrito de su decisión, incluyendo las razones si se niega la petición de la apelación. La decisión de la Junta de Educación es final y obligatoria.

Cualquier pregunta con respecto al proceso de petición de la exención de pago se debe dirigir a la oficina principal de la escuela de su hijo/a.

Cordialmente,

Cathy Johnson
