The Academic Plan displays the student's assigned Academic Program and the courses the student has planned to take in each school year. Students can add courses to their plan, and print their Course Plan and their Progress Report from here.

It's recommended that the Academic Plan be viewed on a larger device, if possible.

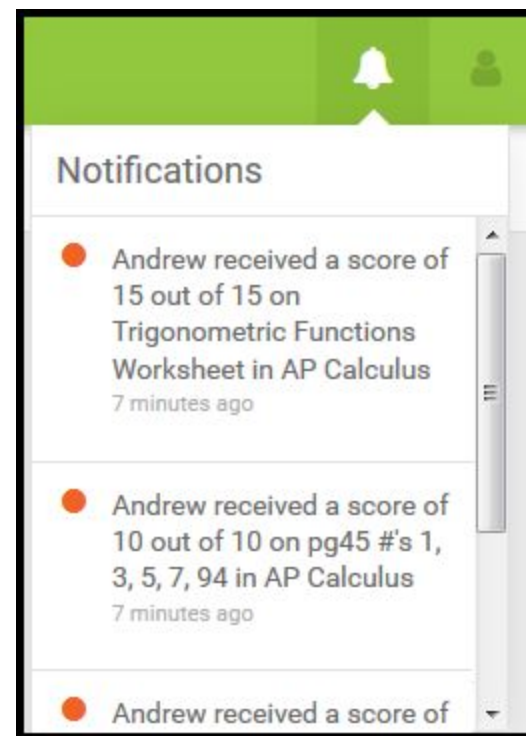

The screenshot shows the 'Academic Plan' interface for a student named Michael. At the top, there are buttons for 'Save', 'Course Plan Report', and 'Progress Report', along with a search bar for the course catalog. Below this, the program is identified as 'JHS Graduation Program'. A checkbox allows the student to approve the plan. Three red alerts indicate unmet requirements for Social Studies, Personal & Financial Literacy, and Biology. The main section displays course selection for three grades: Grade 09 (0.0/6.0), Grade 10 (2.0/7.0), Grade 11 (2.0/6.0), and Grade 12 (1.0/2.0). Under 'English/Language Arts (3.0 / 4.0)', Grade 10 shows two selected courses (ELL 10 Enl Lang Arts - 0.5), Grade 11 shows two (ENG033121 Enl Lang Arts 11 - 0.5 and ENG033121CAI Enl Lang Arts 11 - 0.5), and Grade 12 shows two (ENG038121 AP Lang & Composition - 0.5 and ENG038122 AP Lang & Composition - 0.5). A red alert states: 'Not enough credits selected in English/Language Arts to meet the minimum plan requirements.' Under 'Family and Consumer Science (0.0 / 2.0)', all three grades (10, 11, and 12) show 0.0/1.0 or 0.0/0.0 with search boxes for course selection.

Notification Settings

Notification settings allow users to opt out of receiving specific kinds of notifications and establish thresholds for those they want to receive. Set thresholds to only receive notifications when a grade or score falls below the selected percentage or a lunch balance falls below the selected dollar amount. From the User Menu, select Settings, then Notification Settings. Click the arrows to change the threshold or click and drag the dot.

Notifications are not sent for any tools that have been disabled by the district. Only districts using Campus Food Service receive low balance notifications.

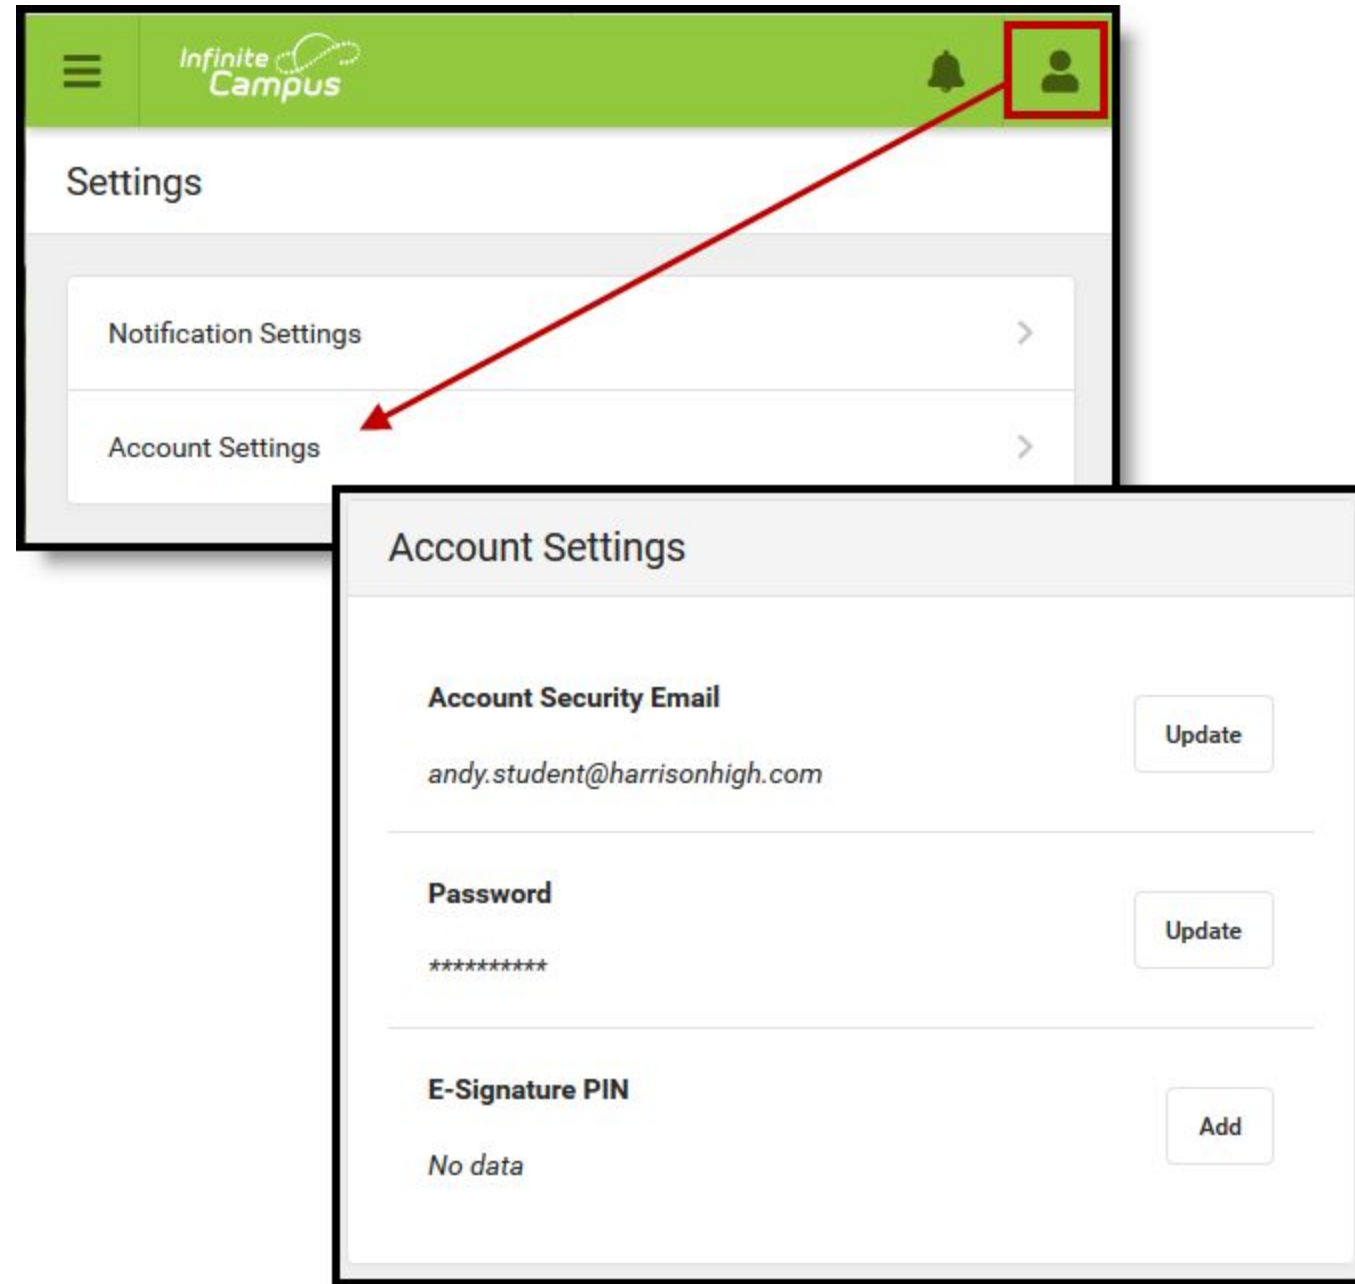

Enable notifications and set thresholds to determine when notifications are sent.

Account Settings

Account settings allow users to update their security email on record or to change their Password and E-Signature PIN. From the User Menu, select Settings, then Account Settings.

- The Account Security Email is the email used if a user forgets their username or password.
- Passwords can only be modified if the district has enabled Password Reset. Strong passwords are enforced, meaning that passwords should have a mix of letters, number, and characters to make them more secure.
- E-Signature PINs are used to electronically verify and sign Meal Benefit Applications. This field is only available if enabled by the district.

Access Account Settings to update basic account information.
