

# BPAC

The Bilingual Parent Advisory Committee (BPAC) exists to serve and support the needs of the bilingual community in District 214 through active participation and decision making that will have an impact in the education our children receive.

BPAC Goals:

- Work together to support students in their academic and social emotional development
- Learn together about how to become more involved in your child's school
- Stay informed about District and school events
- Improve our students' experiences in the school by providing input and perspective

The committee consists of bilingual program parents/legal guardians, EL/Bilingual teachers, and administrators.

## GET INVOLVED!

Attend our BPAC meeting!
