

More Details Than You Even Want!

The BGHS Boosters support all athletics across Buffalo Grove High School. Our focus is to support the Coaches and Athletic Directors in creating communities that promote sportsmanship and add to the great experience our Buffalo Grove student athletes have.

Funding and contributions are decided on annually and divided between three areas of focus:

- Individual Coaches Wish List items needed season to season
 - One major example is that the Boosters SOLELY provided all Hudl Accounts for ALL teams, which allow for coaches to review game/practice film and to allow FANS to view the BG Home games last season! If you enjoyed watching games from home - and allowing family who are not local to see games, thank the Boosters!
 - See the next page for more recent Wish List examples provided for many sports.
- One outstanding Male & Female Athlete is awarded a \$1,500 financial scholarship annually.
- Contributing to LARGER items that benefit MULTIPLE sports, such as:
 - Contributing to the brick walkway & overhead sign leading into Grant Blaney Stadium!
 - Contributing to the Weight Room improvements put in this year!

Your membership and support contributes to the environment created that allows for growth, development, and improvement for these students as both athletes, and more importantly, high character people!

**\$1,500 Annual Scholarships for
1 male & 1 female Student Athlete**

Bison Athletic Boosters

All donations to the Boosters go towards enhancing facilities and/or equipment beyond the capabilities of established administration budgets and to award an annual scholarship to an outstanding boy and girl as determined by the established criteria.

Each year the Boosters solicits our athletic teams for their "Wish List" items. Below is the list of items for the 2019-20 school year. While we try to purchase all of the items, it is not always fiscally possible. Your donations allow us to continue to try to fulfill as many of these requests as possible.
