# A PROMISE THAT PAYS FORWARD.

## HOW IT WORKS

The criteria for the Harper College Promise Scholarship were developed by Harper College, area public high schools and northwest suburban business leaders to promote life skills and habits that will help students succeed in college and provide businesses with smart, skilled and motivated employees. The Promise Scholarship Program enables participating students to attend Harper without having to pay tuition<sup>†</sup> while they earn career certifications and associate degrees. However, signing up for the Promise program does not commit a student to go to Harper. So there's no reason not to sign up!

### IN HIGH SCHOOL

The Program starts in the second semester of a student's freshman year in high school. If the student meets attendance, rigor, quality, persistence and community service requirements, the student can earn up to two years tuition at Harper College.

#### ATTENDANCE

Students may only be absent:

2nd semester of freshman year	5 days or less
Sophomore year	9 days or less
Junior year	8 days or less
Senior year	7 days or less

(3 tardies equal an absence)

## Township High School District 214 Food and Nutrition Service Department

### Meal Program Information and FAQ 2020-2021

In school year 2020-2021 we will continue to participate in the USDA Special Milk program and provide 1 combo meal deal breakfast and/or 1 combo meal deal lunch daily, at no charge, to free eligible students and at a reduced rate to reduced eligible students.

We will carry over 2019-20 school year's (last years') student eligibility status until expiration on **September 14, 2020**.

A new Special Milk/Meals Program application must be submitted annually.

We will be processing all Meal Program Applications through the Infinite Campus (IC) Parent Portal (FRAM). **Please apply for meals online through the Parent Portal. (Note parents must set up E-signature to submit - Applications E-signed by students will not be accepted).**

Meals are served every school day. For the 2020-21 school year, breakfast is available at all schools for \$2.00 and lunch is \$3.00/\$3.25/\$3.50. Reduced breakfast is \$1.00 and reduced lunch is \$2.00. Milk (½ pint) is included with the meal, but may also be purchased separately for \$.60. A variety of healthy and student favorite a la carte options are available.

We will continue to receive Direct Certification files from the DHS. Each student receiving Supplemental Nutrition Assistance Program (SNAP), and/or Temporary Assistance to Needy Families (TANF) from the DHS will be mailed a letter of eligibility for free meals at the end of July from District 214. If you receive one of these letters, you **do not** need to fill out a Special Milk/Meals application as well.

**A School Messenger blast email message to all registered households will be sent out the first week of August, 2020, with instructions on how to apply for meals and access the Special Milk/ Meals Program application online through the IC Parent Portal.** USDA regulations prohibit distributing meal applications more than 30 days prior to the start of the school year.

Special Milk/Meal Program applications and our Menu will be posted on the Food and Nutrition Services page of the District website in August. **Please apply for meals online through the IC Parent portal.**

The Food and Nutrition Services Department has a computerized debit system that allows parents to prepay for school food services. This computerization provides many benefits for students and parents in utilizing the cafeteria services.

In our continuing effort to provide parents with the absolute best service, we have upgraded MySchoolBucks.com. This online payment service provides a quick and easy way to add money to your student's meal account using a credit/debit card or electronic check. NEW! The MySchoolBucks App makes school meal payments even easier for busy parents on-the-go! You can also view recent purchases, check balances, and set-up low balance alerts for **FREE** online or through the App! See more information on the *Online Food Service Pre-pay* tab.

The Payrange mobile vending machine app has been implemented successfully at all D214 schools. Students are able to access vending machines without using cash by downloading the Payrange app on their phones. Payrange accepts all major credit and debit cards as well as funds from apple pay and Android Pay! Follow the steps below to add money to your Payrange app: 1) Download the app to your smart phone or tablet, 2) Create an account, 3) At the bottom of the screen, click the button "Add funds." Follow the steps to add funds to the account. You're all set! It's that easy!

**If you would like to apply for Free or Reduced price benefits, please visit the Infinite Campus Parent Portal to apply online beginning in August. The form is located under the **More/Meal Benefits Tab.****

**ONLINE APPLICATIONS MUST BE SUBMITTED AND SIGNED BY AN ADULT HOUSEHOLD MEMBER WHO HAS SET UP AN AUTHORIZED E-SIGNATURE ON FILE. WE CANNOT APPROVE APPLICATIONS SUBMITTED AND SIGNED BY STUDENTS. THANK YOU.**

Detailed instructions on how to complete the online meal benefits application are on our website: <https://www.d214.org/district-departments/school-lunch-application/>

Families of previously enrolled student should already have access to the Parent Portal. Any families new to District 214, should have received an email regarding the activation of their Parent Portal account.

Eligibility for meal benefits will be determined within 10 days of receipt of application in our office. A letter of approval or denial will be mailed to your address on file notifying you of your child's (children's) eligibility status.

We look forward to providing meals for your child in our cafeterias. Our staff is committed to serving students nutritious meals, while maintaining variety to keep students satisfied.

Thank you!

## Frequently Asked Questions

- 1. What are the District 214 graduation requirements?**  
Please review the graduation requirements on the District 214 website.
- 2. Should my student take a full-period study hall, or a seventh class?**  
We recommend that all students consider the following before selecting a class:
  - A. A seventh class allows students to explore career options.
  - B. A study hall provides a structured time and place for homework assignments, to make up tests, and time for a student to see his/her counselor.
- 3. How may my student see his/her counselor privately?**  
Students are encouraged to come to the office during lunch, open period, study hall or after school. If his/her counselor is not present, they may fill out a message sheet with the secretary.
- 4. What kind of support services are available?**  
There are several support groups offered during the school day. Parents and students may contact the counselor to access services by the school psychologist and social worker.
- 5. Are there late afternoon buses for students involved in sports and after-school activities?**  
Yes. Monday through Friday, buses leave at the back entrance at 6:00pm. Tuesday, Wednesday and Thursday there is a 4:30pm bus. Exceptions are made during shorter days.
- 6. What courses are available in the summer?**  
Please consult the March Parent Newsletter for a roster of courses. Generally, summer school registration begins on April 1st. Students see their counselor to register.
- 7. How do I obtain homework for my absent child?**  
For brief absences (3 days or less), please e-mail individual teachers for homework. If your student will be absent 10 days or more, please contact the Student Services Secretary at 847-718-4422. Homework requests may take 24 hours to fulfill.

## **iPad FAQs:**

### **1. What are the rules for iPad use in the classroom?**

The “top ten rules” for classroom iPad use are listed on the following page.

### **2. I do not have internet access at home, how can my son/daughter complete homework?**

\*School is open at 7:15 am and there is tutoring available after school on specific days and wi-fi is available at this time.

\*Free wi-fi is available at many local establishments, including the public library.

\* We now have a partnership program between D214 and Sprint for low-income families who need internet access. Applications are available in Student Services.

### **3. What are the common apps/websites that my child will be using?**

This is very teacher/course specific, however, some commonly used apps/websites in the classroom include:

Evernote, Notability, Schoology, Moodle, Safari, YouTube, Puffin (for use when a website uses Adobe Flash - some textbooks require this), and Infinite Campus. Teachers will provide more specific websites and apps during the first week of school and at Open House.

### **4. How can I control how much my child is playing games or using social media on their iPad?**

Parents set the rules in your own home. Some parents have found it helpful to designate a specific space in the house where the iPad is permitted to be used. Others have set passwords on their wi-fi and only enter the code when students need access for school reasons. We also encourage conversation about time management, distractions, and managing life in a connected society.

### **5. Why do we give complete access to the iPads?**

One of our goals is to prepare students to make good decisions and successfully manage living in a connected world. Guidance at school and at home can prepare them for life's challenges. Instead of taking the approach that we filter and restrict their access, we are striving to help them make educated, informed decisions about their digital footprint.

### **6. What happens if my child breaks his/her iPad?**

The iPad protection plan is included in the registration fees.

## iPad **TOP TEN** List of Guidelines for Students

Beyond the acceptable use policy, the following is a set of guidelines for iPad use at EGHS. Since the iPads are the property of District 214, all school officials have the right to review all material stored on or accessed by any iPad. Access to your iPad may be revoked for misuse or violation of policies or the Acceptable Use Policy.

**1. I will come to school everyday with the iPad fully charged.**

*If you leave your iPad at home, **you** are responsible for getting the course work completed. Loaner iPads **will not** be available.*

2. I understand the iPad may not always be used in class at all times for every activity. I will listen to my teacher for when iPads should be on my desk for use or in my backpack for safekeeping.

3. I will be on task in class, working only on those sites/apps to which I am assigned.

4. I will make sure to treat the iPad with respect.

**I WILL:**

- \*keep it clean
- \*keep it out of extreme temperatures
- \*keep it away from food and drink
- \*keep it safe and secure

5. I will install new updates as they become available to keep the device's apps up-to-date.

6. I will have all necessary apps for each of my classes downloaded on the iPad.

7. I will be expected to back up all work on my iPad.

8. I will keep the first screen on my iPad limited to educational apps and shortcuts.

9. I will use my iPad as a **Learning Device**.

\*I will make sure all media stored on my iPad is for educational use.

\*I will not text/message or play unapproved games during instructional time.

10. I pledge to be a **Digital Citizen** and:

- \*Communicate responsibly and kindly
- \*Protect my own and others' private information online
- \*Stand up to Cyberbullying
- \*Respect each others' ideas and opinions
- \*Give proper credit when we use others' work
