DISTRICT 214 NUTRITION SERVICES

Thank you all for your support these past two years as we served District 214's students curbside and in the cafeteria. We always ensured our students were fueled for learning. Since the pandemic, we have served all students in District 214 free breakfast and lunch through USDA waivers.

The USDA has not continued the waivers to feed all students breakfast and lunch at no cost during the '22-'23 School Year.

Meal/Fee Waiver benefit applications will be available Mid- July 2022; please stay tuned for more information.

Please put funds on your student's meal account at myschoolbucks.com for meals and a la carte items.

Thank you for your continued support!
