A Message from the Superintendent

Thank you for your dedication to ensuring the continuation of student learning when there is a need for a staff member to be absent. Your commitment in that regard is critical to student success. Without your effort, energy, and enthusiasm to our shared educational endeavors, it would be extremely challenging to convene classes in a manner that fosters student learning.

Please know that it is our intent to assist you and support your efforts as a substitute in our district. If you have suggestions to help us do a better job in providing you with the necessary resources, please share those ideas with our school administrators.

Once again, I would like to thank you for the contribution that you will make to our district and for being there when our students need you. Your work is valued and greatly appreciated.

Sincerely,

A handwritten signature in black ink, appearing to read 'Scott Rowe', written in a cursive style.

AUTOMATED SUBSTITUTE SYSTEM

District 214 uses Frontline Education (Aesop) system to manage substitute jobs in the district. Aesop, utilizes both the telephone and the Internet to assist you in locating jobs in District 214. They have also recently made an App available. Aesop is available 24 hours a day, 7 days a week. Aesop uses three methods to make jobs available to substitutes:

- You can search for and accept available jobs, change personal settings, update your calendar, and personalize your available call times by visiting Aesop on the Internet at [AesopOnline \(http://www.aesoponline.com\)](http://www.aesoponline.com). If the employee has uploaded lesson plans on the Internet, you will be able to view them online once you take the job!
- You may interact with the Aesop system by way of a toll-free, automated voice instruction menu at **1-800-942-3767**. Here, you can proactively search for jobs and manage existing jobs. We recommend calling in to check the computer recording of your name by pressing Option 4.
- Aesop will also make phone calls to pre-select substitutes to offer jobs. The administrative office has selected the following hours and standard call times when the Aesop service may call for substitutes: 5:30 a.m. to 11:59 a.m. in the morning and 12:00 p.m. to 9:30 p.m.
- In order to access the Aesop system, you must enter your log-in ID and PIN which are provided to all substitutes upon successful completion of the application process.
- You may download the free app *Frontline Education* by going to your iOS or Android app store. In order to access the app, you will need to have a Frontline ID set up. This Frontline ID will also be used to log in via the web. After you have created your Frontline ID, you can download the *Frontline Education* mobile app. The four-digit invitation code is **7354**. After entering the invitation code, enter your Frontline ID credentials to sign in.
- If you accept a job, Aesop will issue a confirmation number. **Please remember** that your transaction is not complete until Aesop supplies you with a confirmation number.

Should you experience difficulty using the Aesop system in any way, please contact Jenny Herrera at jenny.herrera@d214.org or 847-718-7649.

REQUIRED TRAINING

All substitutes are required to complete online training through the [Global Compliance Network](#) or GCN. Please remember that this is a mandated annual requirement and a qualification of substitute employment. General directions for accessing and completing the training will be provided to all substitutes by Jenny Herrera in our Human Resources office.

WORK RELATED INJURY PROCEDURE

District 214 uses Medcor, an injury assessment service, to assist with work related injuries. Medcor provides you with access to speak to a medical professional 24 hours a day, 7 days a week at no cost to the individual. They also initiate the needed paperwork to the medical facility to provide you with more immediate care and attention. There are no forms to complete on-site.

Step 1: The injured worker notifies his/her Supervisor/Lead regarding the injury. **In the case of a life threatening injury, CALL 911!**

Step 2: The Supervisor/Lead immediately calls Medcor at 1-800-775-5866.

Step 3: Ideally, the supervisor and injured individual should place the call together. If the supervisor is unavailable, the injured individual can call Medcor directly. A medical professional gathers relevant information. The medical professional recommends a course of action that includes:

- ▣ On-site first aid treatment procedures
- ▣ Or, if needed, referral to a suggested medical facility for treatment

CONDUCT OF STUDENTS

The Board of Education establishes regulations regarding student conduct. Students are expected to comply with regulations of the school; to obey promptly all directions of the school staff; to observe good order, and to conduct themselves at school or at school-related activities in such a manner that their conduct will neither harm nor bring discredit to the schools of the district. Substitutes should contact admin in the Department/ main office if a significant disciplinary action arises.

Good discipline is necessary if a school is to function in the most effective manner for students. Through good discipline and self-control, the student can work with the school to form a productive partnership.

Good discipline requires teamwork and is the combined responsibility of students, parents, and staff. Disciplinary actions in district schools may include, but are not limited to, the following:

- ▣ Verbal reprimand
- ▣ Parent conference
- ▣ Detention
- ▣ Saturday detention
- ▣ Removal from class
- ▣ Suspension
- ▣ Expulsion
- ▣ Police intervention

The following behaviors are unacceptable and will result in disciplinary action:

- ▣ Fighting/physical abuse
- ▣ Insubordination, flagrant or persistent disrespect or deliberate attempts to antagonize and/or intimidate a staff member or a substitute teacher
- ▣ Defacing, vandalizing, damaging or misusing the school's or another person's property
- ▣ Possession, use, distribution, or being under the influence of an alcoholic beverage or controlled substance on campus
- ▣ Use of vulgar or profane language and gestures
- ▣ Truancy and attendance violations
- ▣ Extreme displays of affection
- ▣ Physical or verbal abuse (Bullying: intimidation, including sexual harassment, and/or hazing of another person because of appearance, race, religion, disability, creed or nationality)
- ▣ Entering or loitering in an unauthorized area
- ▣ Smoking or use of tobacco products (e-cigarettes)
- ▣ Lying or deception, including forgery or cheating
- ▣ Disrespect shown towards a staff member
 - ▣ Failure to be in possession of proper authorization when in halls or washrooms during class time
 - ▣ Leaving campus without permission prior to the end of the school day
 - ▣ Failure to carry and display a student I.D

- ▣ Continued lack of academic preparedness
- ▣ Card playing and gambling
- ▣ Habitual tardiness
- ▣ Carrying of weapons, including "look-alikes"
- ▣ Membership in a gang or participation in gang, mob or gang-like activity (includes wearing of gang colors and use of gang signs, etc.)

DRUGS - ALCOHOL - SMOKING

The possession, purchase, sale and/or use of illegal (or related) drugs or drug paraphernalia or alcohol on school grounds is strictly prohibited. Smoking and tobacco use is prohibited everywhere on school property at all times.

HOME/HOSPITAL INSTRUCTION

Home and hospital instruction are provided to any student with a health or physical impairment or special education condition who can educationally benefit from such instruction. Each student may receive up to seven (7) hours of home/hospital instruction per week.

All home/hospital substitute teachers must hold a Professional Educator License (PEL) in the state of Illinois. Substitute teachers are usually requested to provide tutorial assistance in all areas of instruction. A substitute teacher providing instruction to a student with disabilities must be licensed with either an endorsement or approval in the disability area provided in the student's IEP.

Periodic conferences between the home/hospital instructor and school staff will be scheduled to coordinate the student's progress in his/her school program.

RESPONSIBILITIES OF THE SUBSTITUTE

DRESS CODE: Substitutes are expected to dress professionally - business or business casual attire. Collared shirts are recommended. Shorts and torn and tattered jeans are prohibited.

PERSONAL APPEARANCE/HYGIENE: Substitutes should always be presentable and well-groomed when working in District 214.

NAME BADGES: MUST BE WORN AT ALL TIMES AND WILL BE PROVIDED BY THE SCHOOL SECURITY DESK or the MAIN OFFICE.

PARKING PLACARDS: WILL BE ISSUED AT THE SCHOOL YOU REPORT TO FOR YOUR FIRST ASSIGNMENT (*to be placed on the rearview mirror of your car*). Go to the Associate Principal's Administrative Assistant for your parking placard.

CELL PHONES: must be turned **OFF** during class.

Upon arriving at the assigned school, a substitute must report to the security desk for check-in. The substitute must present his/her driver's license which will be scanned through the security software. Once cleared, the substitute will be given a badge in exchange for their license by either security or the Administrative Assistant

in the Main Office. This badge should be worn throughout the day. The substitute then signs in and reports to the Associate Principal's Administrative Assistant. The license will be returned when the substitute signs out at the end of the day.

Because our schools are public buildings, it is necessary to exhibit care with one's personal property. All substitutes and visitors to our schools may find a safe and convenient location for their personal property by contacting the Principal's Administrative Assistant, Associate Principal, or the Division Assistant. Our insurance is such that we are unable to assume responsibility for personal items stolen or lost.

Each teacher usually checks attendance each period. Substitutes should check with the Associate Principal or Division Head to determine the reporting process in that particular building.

Students are not to be in the corridors of the school when classes are in session unless they have an official student pass. In signing a student pass, the substitute should always sign the regular teacher's name and countersign with his/her own name.

School procedures delineated by school personnel should be followed. If it is necessary to deviate from the planned program, this change should be communicated to the appropriate school administrator.

Substitutes are encouraged to utilize all services provided by the school and are welcome to visit faculty workrooms during the conference or lunch period. As a professional member of the staff, substitutes have responsibilities that foster a positive learning situation for all students.

GENERAL GUIDELINES

The following are four guidelines that may help contribute to a classroom atmosphere where students have genuinely productive learning experiences. These guidelines may also be of assistance to substitutes in carrying out their jobs effectively.

1. BE PREPARED

A substitute who is well prepared for each day will be less distracted by procedural matters and can provide more meaningful instruction to students.

A. ARRIVE EARLY. Arriving at least 30 minutes before students provides you time to obtain needed information from the office, become acquainted with the environment- facility, and familiarize yourself with the learning activities planned for students. If teaching, assignments should be written on the board before class.

B. OBTAIN NECESSARY ADMINISTRATIVE INFORMATION. You should report immediately to the school office to obtain necessary administrative information. A master schedule will show the names and room numbers of teachers who teach the same subject or same grade levels. In addition, you should have the room numbers of the Division Head and the room you are assigned.

C. FAMILIARIZE YOURSELF WITH THE CLASSROOM. While examining the facility, it is advisable to locate all posted emergency drill procedures, learn how the school's public address system is used for communication, and locate a secure place to store personal belongings.

D. IF TEACHING, LOCATE NEEDED TEACHING MATERIALS IN ADVANCE. When previewing materials, the substitute should determine what instructional outcomes are to be taught and how the instructional material is to be presented. Difficulty locating necessary materials such as books, papers, etc., should be reported to the Division Head as it may be helpful to administrators and other substitutes in the future.

2. TAKE CHARGE OF THE CLASSROOM

- A. START THE CLASS DECISIVELY.** Substitute teachers should establish their authority with confidence by starting the class on time, carefully observing student behavior, greeting students cheerfully, and beginning the lesson promptly. Students should sit according to a seating chart. Teachers must keep seating charts current.
- B. TAKE ATTENDANCE EFFICIENTLY.** A substitute teacher who takes attendance efficiently sends a clear message that instructional time is valued. Moving rapidly and accurately through the roster and making eye contact with each student helps substitutes to establish themselves as competent teachers.

Attendance may be taken in alternative ways by collecting papers, by circulating during an assignment and noting names, or by checking the roster at the end of class.

- C. GET ACQUAINTED.** When the situation allows for it, get acquainted with the class. Providing students with background information on a substitute's content areas and a willingness to help students as they work sets a positive tone.
- D. GIVE DIRECTIONS CONCISELY.** Provide students with clear, concise, step-by-step directions.

3. CLARIFY EXPECTATIONS ABOUT STUDENT CONDUCT

- A. REAFFIRM THE CLASSROOM EXPECTATIONS.** Before class starts, substitutes should go over the existing classroom expectations with the students. If a discipline plan is not available, substitute teachers should implement their own plans. Develop just a few rules related to respect and responsibility, make students aware of the rules, and implement discipline in a firm, fair, and consistent manner. In addition, have in mind suitable consequences for unacceptable behavior as well as positive reinforcement for good behavior. A firm but friendly attitude from a substitute teacher who expects good behavior will bring out the best in students.
- B. PROVIDE FEEDBACK.** During the classroom period, provide specific feedback, including information about the appropriateness of students' behavior. This feedback, delivered in a pleasant but clear tone, helps students monitor their own behavior.
- C. CIRCULATE FREQUENTLY AROUND THE CLASSROOM.** In observing student behavior, it is important to move quickly to areas where students are not on task or where problems are likely to arise. In the event of inappropriate behavior, first speak with the student calmly and individually asking him/her to cooperate. If this is repeatedly ineffective and the problem escalates, provide the student with a pass to the Division Head and then immediately call the Division Head to notify him/her that you have dismissed a student. Consult the policy in each division and seek administrative assistance as needed. Remember – it is important to set behavior and academic expectations at the beginning of each class.

4. COMMUNICATE THE SIGNIFICANCE OF LEARNING

As a substitute it is important to provide students with continuity. One way to ensure this goal is to communicate to students the significance of the day's learning.

- A. MINIMIZE TIME SPENT ON PROCEDURAL MATTERS.** A substitute teacher can demonstrate a concern for the importance of instruction by reducing the time spent on such procedural matters as taking attendance. Maximize the time spent on learning by having materials and supplies ready so that students may become actively involved in lessons as quickly as possible.
- B. REQUIRE STUDENT ATTENTION AND PARTICIPATION.** Seek student attention when directions are being given for assignments. To ensure that students understand directions, a skillful substitute might ask individuals to repeat parts of the directions.

During group learning activities, give students as many opportunities as possible to be active learners. During individual seatwork periods, students should be held accountable for completing work within the time allotted. Help students by using the clock to pace their work.

For long term assignments, schedule a review period to determine if anyone is having difficulty and needs assistance; this also allows students to know that the work that they are doing is important. Collected assignments are best, but teachers must be made aware of this and be diligent in grading and recording such assignments so that the substitute may work cooperatively with teachers in meeting learning outcomes. For an assignment that cannot be collected, initial the amount accomplished in class; this becomes effective only if the teacher checks the work and assigns points for the amount of work accomplished in class.

C. PROVIDE CLOSURE AT THE END OF CLASS. At the end of each class, leave time to bring closure to the learning activities. Remind students about homework and compliment them for their academic achievements and appropriate behavior. Allow students to start homework individually or in groups of two or three. Circulate, offering groups and individuals help and encouragement.

In Aesop, please leave a note for the classroom teacher describing the academic work that was accomplished during the period and the level of student productivity.

Following these guidelines should help you as a substitute create the kind of classroom atmosphere that will be conducive to effective instruction. A well-managed classroom is a classroom in which learning can be maximized.

SUBSTITUTE PAY:

TEACHING

When accepting an assignment, the substitute teacher assumes the entire teaching and supervisory responsibilities for the teacher for whom he/she is substituting. This may result in assignment variations related to class size, placement of classes during the workday, variable scheduling, and types of program support assignments.

The rate of pay for a substitute teacher is \$0.63 per min of instructional time only.

Please note that your conference or “planning” period and lunch period are unpaid unless, upon the request of the school, you elect to take on extra duties.

A **substitute teacher** who works a full day assignment and is requested and accepts to sub during their conference or lunch period for a different teacher will be paid at the same rate of \$0.63 per min of instructional time for the extra block assignment.

On the twentieth (20th) consecutive day in the same **full-time** teaching assignment, a substitute will be classified as a long-term substitute. Pay for the long-term substitute shall be \$275.00 per day. For the first twenty days, the long-term substitute will be paid at the daily substitute rate of \$0.63 cents per min of instructional time. On the twenty-first (21st) consecutive full-time day the pay will increase to \$275.00 per day and the substitute will be retroactively compensated at that same rate for the first through the twentieth days. Long-term substitutes are expected to complete all of the duties of the regular teacher at no additional compensation (i.e.: parent conferences, meetings, etc.).

A **substitute nurse** assumes the full day's responsibility of the nurse at the school. The substitute nurse is "on duty" all day. The substitute nurse shall be paid at a rate of \$200 per day.

SUPPORT STAFF

A substitute for an educational support staff position will be paid at a rate of \$.35 per minute. The substitute assumes the regular responsibilities of the person for whom he/she is substituting.

A substitute who reports to the school and upon arrival finds that there has been a change or error in the assignment, by no fault of his or her own, at the discretion of each building, may receive pay if he/she stays and accepts another assignment when available. The substitute who chooses not to accept an alternative assignment will not receive any payment.

SUBSTITUTE PAY PROCEDURES

The School Board establishes the rate of pay for substitutes. Substitutes receive only monetary compensation for time worked and no other benefits.

The Associate Principal will submit a “Substitute Payroll Claim Form” to the Payroll Department for each substitute working in the building. Substitutes are paid according to the payroll schedule (see attached). State and federally mandated deductions will be made from each check.

Paychecks typically reflect a 2-week lag between days worked and payment. Assignments completed between the 1st and the 15th of the month will be paid on the 30th of the month. Assignments completed between the 16th and the 30th of the month will be paid on the 15th of the following month. This is all subject to the payroll claims being submitted to the payroll department before the payroll cut off dates. Any questions concerning pay should be directed to the school at which the assignment was completed.

The substitute whose assignment requires traveling between schools shall be reimbursed. An Expense Reimbursement Claim should be secured from the Associate Principal's Administrative Assistant, completed and submitted to the respective Associate Principal.

Direct Deposit Advisories are emailed to the personal email address of the substitute.

403B and 457B Tax Shelter Information

Any employee of District 214 can open a 403B and a 457B account and contribute through payroll deductions. Complete a Salary Reduction Agreement form the Omni website (<https://omni403b.com>). This agreement directs the payroll department how much is to be deducted from each check and the company's name and address accepting your contribution. Changes can be made quarterly to the amount of your contribution, or the deduction can be stopped at any time by filling out a new agreement.

LOCKDOWN PROCEDURES

PURPOSE

This plan is activated when a dangerous individual or group is believed to be in the building and their presence may pose a threat of harm to others. Anyone can initiate a lockdown. Assess your situation and know your options.

- The following automated announcement will be made over the intercom that a **Lockdown** is in effect.

“Attention staff and students, this building is in a lockdown. Teachers lock your doors immediately and get everyone quiet, down, and out of sight.”

ADMIN RESPONSE	STAFF RESPONSE
<ul style="list-style-type: none"> Announce over the intercom that a Lockdown is in effect (see script above), if the automated announcement is not working. Call 911, give the name and address of the school, identify yourself and role, provide all the details of the incident including any description of possible offenders, and advise them that the school is in a Lockdown Notify staff and classes outside to immediately move to the designated Off-Campus Student Evacuation Site Notify the superintendent's office of the situation, they can assure transportation stops all inbound buses and redirect them to the designated Off-Campus Evacuation Site If necessary, send designated staff to the Hospitals as a representative of the school When the situation has been resolved, each classroom will be visited individually with an “All Clear” message from the police and given instructions on what to do next 	<p><u>Run (Evacuate)</u></p> <ul style="list-style-type: none"> Run if you think you can get away Have an escape route and plan in mind Visitors will follow the example of the staff If possible, help others escape Leave your belongings behind Keep your hands visible, when encountering police officers Follow the instructions of any police officer Prevent individuals from entering an area where the active shooter may be, if possible Move away from the building and go to the designated off-campus evacuation site, if possible Call 911 when you are safe to do so <p><u>Hide (Lockdown)</u></p> <ul style="list-style-type: none"> Students/visitors in the hallway and bathrooms should be brought into the classroom or office immediately, if possible Move away from the doors and windows and group them on the floor and have them kneel or lay down in a safe area of the classroom/office. If possible, try not to group them in one area of the room Close and lock classroom/office doors Barricade the door by moving heavy objects, such as desk, or cabinets in front of the door, turn off lights and audio-visual equipment, if possible If possible, cover the classroom/ office door window and close the exterior window covering Quietly access the CrisisGo app in order to take attendance and silence your cell phone Ignore fire alarms and all bells unless you see fire or smoke, you're in immediate danger, or you are instructed by the local emergency responders to do otherwise

- No one should leave the classroom/ office during a Lockdown unless a life-threatening situation suddenly develops in the room making it safer outside the room than inside of the room. **(Be thinking about a plan of escape or fight, if necessary)**
- If outside the building at the time of the Lockdown, students and staff should report immediately, if possible, to the designated student off -campus evacuation site; otherwise, move away from the building
- Call 911 when you're safe to do so
- Staff and visitors should remain in their classrooms/offices until notified by a uniformed Police Officer that it is safe to leave the room. The Police will give instructions regarding what to do next
- If you're under imminent attack, get out of that area. In a last resort situation (the exits are blocked by the attacker, there is no other means of escape, and your life or the lives of the students are in jeopardy), you will have to attack the intruder to defend yourself with whatever means possible

"All Clear" Procedure

In the event of a lockdown, you will be notified of the "All Clear" via a face-to-face contact by the Police and advised what to do next

Fight

- Only when your life is in imminent danger, and you cannot run away or hide, taking action is the last resort attempt to disrupt and/or incapacitate the active shooter
- Do not be afraid to fight
- Act aggressively as possible against the active shooter
- Use common items as weapons, such as chairs, books, fire extinguishers or other objects to protect yourself
- If possible, use numbers to overwhelm the attacker. There is strength when you work together
