## **SENIOR NON-ATTENDANCE DAY (“DITCH DAY”)**

District 214 does not support a senior non-attendance day. The District asks parent(s)/guardian(s) to support the district in taking a stance against “ditch day”. When an excessive number of students are out of class(es), their absence negatively impacts the educational process. Should a student make the decision to participate in a “ditch day”, this absence is considered unauthorized when a parent phone call is made. If a parent phone call is not received, the absence will be considered unexcused.
