SMOKING AND VAPING PROHIBITED

No person is permitted to smoke or use vaping devices of any type on campus, anywhere in the school building, or at any school-related functions. According to State law, the use of tobacco of any type, in any manner, is prohibited at all times. It is illegal for students under the age of 21 to possess tobacco at any time in accordance with district policy, village ordinance, and State law. This includes chewing, smoking, or holding a cigar, cigarette, electronic cigarette or pipe, lit or unlit.
