1. The student's household is one whose gross income is at or below the levels shown:

Household Size	Annual Income	Monthly Income	Weekly Income
1	\$17,667	\$1,473	\$340
2	\$23,803	\$1,984	\$458

2. The family experiences a very significant loss of income due to severe illness or injury in the family.

Written evidence of eligibility shall be required of each person applying for a waiver for these reasons.

For the purposes of this policy, "school fees" mean any monetary charge collected by the school or district from a student or the parent/guardian as a prerequisite for the student's participation in any curricular or co-curricular program of the school or district. A school does not impose a "fee" when it requires that students provide their own ordinary supplies or materials (e.g., pencil, paper, notebooks), which are necessary to participate in any curricular or co-curricular program.

"School Fees" include, but are not limited to, the following:

- a. Charges for required textbooks and instructional materials.
- b. Charges and deposits are collected by a school for the use of school property (e.g., locks, towels, laboratory equipment).
- c. Charges for field trips made during school hours or made after school hours if the field trip is a required or customary part of a class or co-curricular activity (e.g., annually scheduled trips to museums, concerts, places of business and industry or field trips related to instruction in social studies, the fine arts, career/vocational education or the sciences).
- d. Charges or deposits for uniforms or equipment related to varsity and intramural sports, or to fine arts programs.
- e. Charges to participate in co-curricular activities.
- f. Charges for supplies required for a particular class (e.g., shop or home economics materials, laboratory or art supplies).
- g. Graduation fees (e.g., caps, gowns).
- h. School records fees.
- i. Driver's education fees assessed pursuant to School Code [105 ILCS 5/27-24.2].
- j. D214 school fees include a technology device and device insurance cost.

 John Hersey High School ■ Newcomer Center ■ Prospect High School ■ Rolling Meadows High School  
 The Academy at Forest View ■ Vanguard School ■ Wheeling High School

- a. Only students who receive a District 214 “fee waiver” are eligible for a waiver of camp tuition. Only the camp tuition is waived. All students must pay the registration fee and other camp fees (i.e., shirt, league, and “other”).

“School Fees” do not include:

- a. Library fines and other charges made for the loss, misuse, or destruction of school property (e.g. iPad, musical instruments).
- b. Charges for the purchase of class rings, yearbooks, pictures, diploma covers, or similar items.
- c. Charges for optional travel undertaken by a school club or group of students outside of school hours (e.g., a trip to Spain by the Spanish Club or a senior class trip).
- d. Charges for admission to school dances, athletic events, or other social events.
- e. Optional community service programs for which fees are charged (e.g., preschool, before and after school child care, recreational programs).
- f. Optional fees or charges such as parking passes.

HOW TO APPLY:

Applications for fee waivers are available in the Infinite Campus Portal using the Meal Benefits Application. Once completed, an eligibility determination will be sent within 10 days. No fee shall be collected from any parent/guardian who is seeking a fee waiver in accordance with this policy until they have been notified of the District's decision regarding the request or appeal if one is made.

You are advised that Illinois law 720 ILCS 5/17-6 provides that supplying false information to obtain a fee waiver is a Class 4 Felony. If the amount of the benefit is over \$300, it is a Class 3 Felony.

If your request is denied, or a subsequent decrease in family income occurs, you may reapply for a waiver at any time during the school year.

A denial of a waiver request may be appealed to the Associate Superintendent for Finance & Operations by submitting a completed appeal form within two weeks of the denial. A decision will be mailed to the parents within thirty (30) calendar days of the receipt of the request. If this appeal is denied, a waiver request may be appealed to the Board of Education by submitting the completed appeal form to the Superintendent within two weeks of the denial. If appealed, the Board of Education will consider such appeals within thirty (30) calendar days of the receipt of the appeal request. A parent/guardian has the right to meet with the Board of Education to explain their reasons for the fee waiver to be granted. The Board will notify the parent/guardian in writing of its decision, including its reasons if it denies the appeal request. The decision of the Board of Education is final and binding.

Any questions regarding the fee waiver request process should be addressed to the main office of your child's school.

Sincerely,

*Cathy Johnson*

2. Las experiencias familiares son relevantes debido a enfermedad severa o lesión familiar.

La evidencia escrita de elegibilidad será requerida a cada persona que solicite exención por estas razones.

Para los propósitos de esta política, "las cuotas escolares" significan cualquier cobro monetario recaudado por la escuela o por el Distrito de un estudiante o de un padre/tutor como prerrequisito para la participación de los estudiantes en cualquier programa curricular o extracurricular de la escuela o del distrito. Una escuela no impone una "cuota" cuando se requiera que los estudiantes suministren sus propios suministros o materiales (Ej. Lápiz, papel, cuadernos), que son necesarias para participar en cualquier programa curricular o extracurricular.

"Las cuotas escolares" incluyen, pero sin limitarse, los siguientes:

- a. Los cobros por los libros de texto requeridos y los materiales de enseñanza.
- b. Los cobros y depósitos recaudados por la escuela por el uso de la propiedad escolar (Ej. candados, toallas, equipo de laboratorio).
- c. Cobros por los viajes de campo durante las horas escolares, o hechos después de las horas escolares si se requiere o como se acostumbre en parte de una clase o de una actividad extracurricular (Ej. Viajes programados anualmente a museos, conciertos, lugares comerciales o industriales o por viajes de campo relacionados a la enseñanza de los estudios sociales, bellas artes, educación vocacional o las ciencias).

- j. Las tarifas escolares D214 incluyen un dispositivo de tecnología y un costo de seguro del dispositivo.
- k. Solo los estudiantes que reciben una "exención de cuotas" del Distrito 214 son elegibles para la exención de la matrícula del campamento. Solo se renuncia a la matrícula del campamento. Todos los estudiantes deben pagar la tarifa de inscripción y otras tarifas del campamento (es decir, camiseta, liga y "otros").

"Las cuotas escolares" no incluyen:

Buffalo Grove High School ■ Community Education ■ Elk Grove High School  
 John Hersey High School ■ Newcomer Center ■ Prospect High School ■ Rolling Meadows High School  
 The Academy at Forest View ■ Vanguard School ■ Wheeling High School

Township High School District 214 is a U.S. Department of Education Blue Ribbon School District

- a. Las multas escolares y otros cobros hechos por la pérdida, uso indebido, o destrucción de la propiedad escolar (Ej. iPad, Instrumentos musicales).
- b. Cobros por la compra de timbres de clase, anuarios, cuadros, cubiertas de diplomas o artículos similares.
- c. Cobros por un viaje opcional de un club escolar o grupo de estudiantes por fuera de las horas de clases (Ej. Un viaje a España por el club de español o un viaje de una clase mayor).
- d. Cobros por admisión a las danzas escolares, eventos atléticos u otros eventos sociales.
- e. Programas de servicio de Comunidad opcional por las cuales se cobra cuota (Ej. Preescolar, cuidado infantil escolar, programas recreativos).
- f. Cuotas o cargos como para pases de estacionamiento son opcionales

Cómo Aplicar:

Las solicitudes para exenciones de pago están disponibles en el Portal del Campus Infinito usando la aplicación de beneficios de comidas. Una vez completada, se enviará una determinación de elegibilidad dentro de los 10 días. No se cobrará ninguna tarifa a ningún padre/tutor que esté buscando una exención de tarifas de acuerdo con esta política hasta que hayan sido notificados de la decisión del Distrito con respecto a la petición o apelación, si se hace una.

Se le informa que la ley de Illinois 720 ILCS 5/17-6 establece que el suministro de información falsa para obtener una exención de pago es un delito grave de clase 4. Si la cantidad del beneficio es de más de \$300, es un delito grave de clase 3.

Si su solicitud es denegada, o si se produce una disminución subsiguiente en los ingresos familiares, puede solicitar una exención en cualquier momento durante el año escolar.

Una negación de una solicitud de exención se puede apelar al superintendente adjunto para los Servicios Estudiantiles entregando un formulario completo de apelación dentro de las dos semanas de la negación. La decisión será enviada por correo a los padres dentro de los treinta (30) días calendario de la recepción de la petición. El padre/tutor tiene el derecho a reunirse con la Junta de Educación para explicar por qué se le debería otorgar la exención de pago. La junta notificará al padre/tutor por escrito de su decisión, incluyendo las razones si se niega la petición de la apelación. La decisión de la Junta de Educación es final y obligatoria.

Cualquier pregunta con respecto al proceso de petición de la exención de pago se debe dirigir a la oficina principal de la escuela de su hijo/a.

Cordialmente,

## Township High School District 214 Residency Verification 2022-23

We look forward to your student joining the District 214 schools for the first full day of classes **Monday, August 15, 2022**. As you know, District 214 utilized an electronic residency verification process for students. As described in Board Policy, students who attend our schools must reside within the district's boundaries. Verifying residency annually helps us to protect district taxpayers by ensuring that resources are spent only on students who live within the D214 community.

**You are receiving this message to inform you that your residency within District 214's boundaries unfortunately could not be verified electronically.** As a result, you are required to provide documentation to verify that you are a resident within your school's boundaries before your child can register for, or attend school next school year. Below is a list of the necessary documents that must be provided. **In order for your child to attend school next year, you must verify your residency prior to July 15, 2022.**

**Category A (At least ONE of the following documents):**

- Most recent mortgage bill/statement
- Most recent real estate tax bill
- Closing statement for the purchase of residence
- Deed/closing document to real estate
- Signed apartment lease for my residence from owner/lessee

**AND**

**Category B (At least TWO of the following items):**

- Driver's license with current address
- Current utility bill (gas, water, electric, or cable)
- Public Aid card
- Voter registration card
- Automobile registration - State of Illinois
- Receipt for city vehicle sticker

**OR**

**Category C**

- **If NONE of the items in Categories A or B are applicable, you will need to contact the main office at Elk Grove High School (847-718-4412 or 4415)**

If you fail to prove residency by July 15, 2022, you cannot be considered a District 214 student and a schedule will not be provided.

This includes off-site placement special education students.

## **Township High School District 214 Residency Verification (page 2) 2022-23**

Although we regret this initial inconvenience, we recognize that you join us in our commitment to protecting our educational resources so that we can provide the very best learning opportunities for the children who live in our district.

Township High School District 214 uses an Online Registration and Fee Payment Process. Once residency verification is complete, you will be able to complete your registration at home or at any location where you have Internet access. Kiosks will be set up in your child's school to assist you. **Online Registration will begin in June. More information regarding the registration process will be sent at a later date.**

**Students attending Alternative Schools or Programs Outside the District** are required to verify residency, register, pay fees, and apply for fee waivers at their respective home school main office. It is imperative that all students, regardless of where they attend school, complete these processes at their home school. Failure to register within the appropriate timelines will result in the suspension of all services including transportation.

This is an exciting time for your student. We will work hard to make this transition as seamless as possible as well as successful for each of their high school years!

I invite you to contact me with questions or concerns.

## Township High School District 214 Verificación de residencia 2022-23

Esperamos que su estudiante se una a las escuelas del Distrito 214 para el primer día completo de clases **lunes 15 de agosto de 2022**. Como saben, el Distrito 214 utilizó un proceso electrónico de verificación de residencia para los estudiantes. Como se describe en la Política de la Junta, los estudiantes que asisten a nuestras escuelas deben residir dentro de los límites del distrito. Verificar la residencia nos ayuda a proteger a los contribuyentes del distrito al garantizar que los recursos se gasten solo en los estudiantes que viven dentro de la comunidad D214.

**Recibe este mensaje para informarle que su residencia dentro de los límites del Distrito 214 lamentablemente no pudo ser verificada electrónicamente.** Como resultado, debe de disponer documentación para verificar que es residente dentro de los límites de su escuela antes de que su hijo pueda inscribirse o asistir a la escuela el próximo año escolar. A continuación se muestra una lista de los documentos necesarios que se deben disponer. **Para que su hijo asista a la escuela el próximo año, debe verificar su residencia antes del 15 de julio de 2022.**

### Categoría A (Al menos UNO de los siguientes documentos):

- Factura / estado de cuenta de la hipoteca más reciente
- La más reciente factura de impuestos inmobiliarios
- Declaración final para la compra de la residencia.
- Escritura / documento de cierre de bienes inmuebles
- Arrendamiento de apartamento firmado para mi residencia
- del propietario / arrendatario

Y

### Categoría B (Al menos DOS de los siguientes elementos):

- Licencia de conducir con dirección actual
- Factura actual de servicios públicos (gas, agua, electricidad o cable)
- Tarjeta de ayuda pública
- Tarjeta de registro de votante
- Registro de automóviles - Estado de Illinois
- Recibo de etiqueta de la ciudad del vehículo

O

**Categoría C (Si NINGUNO de los artículos en las Categorías A o B son aplicables, deberá comunicarse con la oficina principal de su escuela.)**

Aunque lamentamos esta inconveniencia inicial, reconocemos que usted se une a nuestro compromiso de proteger nuestros recursos educativos para que podamos brindar las mejores oportunidades de aprendizaje para los niños que viven en nuestro distrito.

Si no prueba la residencia antes del 15 de julio de 2022, no puede ser considerado un estudiante del Distrito 214 y no se proporcionará un horario.

Esto incluye la colocación fuera del sitio de estudiantes de educación especial.

## **Township High School District 214 Verificación de residencia (página 2) 2022-23**

El municipio de la escuela secundaria del distrito 214 utiliza un proceso de registro y pago de tarifas en línea. Una vez que se complete la verificación de residencia, podrá completar su registro en su hogar o en cualquier lugar donde tenga acceso a Internet. Se instalarán kioscos en la escuela de su hijo para ayudarlo. **La inscripción en línea comenzará en junio. Se enviará más información sobre el proceso de registro en una fecha posterior.**

**Estudiantes que asisten a escuelas o programas alternativos fuera del distrito** están obligados a verificar la residencia, registrarse, pagar tarifas y solicitar exenciones de tarifas en la oficina principal de su escuela principal respectiva. Es imperativo que todos los estudiantes, independientemente de dónde asistan a la escuela, completen estos procesos en su escuela de origen. Si no se registra dentro de los plazos apropiados, se suspenderán todos los servicios, incluido el transporte.

Este es un momento emocionante para su estudiante. ¡Trabajaremos duro para que esta transición sea lo más fluido posible y exitosa cada uno de sus años de escuela secundaria!

Los invito a contactarme si tienen preguntas o inquietudes.

## ANNUAL RESIDENCY VERIFICATION ENHANCEMENT

March 2022

District 214 has moved to an annual residency verification process for parents. Verifying residency is done to protect taxpayers and district resources by identifying non-residents attending District 214 schools.

The District is contracting with a third-party vendor to verify student address data. The vendor will use a parent's name and address to crosscheck the information against other public electronic databases, such as utility companies. It is anticipated the overwhelming majority of families will have their residency substantiated electronically.

Once verified, each household will receive an emailed confirmation, and there will be no need to submit additional paperwork certifying residency within the district's boundaries.

Communication will be sent to families whose residency could not be verified electronically. Details will be provided on the documentation needed in order to complete registration and verify residency for the upcoming school year.

Please contact your Associate Principal of Operations with any questions or concerns regarding this streamlined process for our parents.

Respectfully,

Cathy Johnson  
Associate Superintendent for Finance & Operations

## **MEJORA ANUAL DE VERIFICACIÓN DE RESIDENCIA ANNUAL RESIDENCY VERIFICATION ENHANCEMENT**

Marzo 2022

El distrito 214 se ha movido a un proceso de verificación de residencia anual para los padres. Se verifica la residencia para proteger a los contribuyentes y los recursos del Distrito al identificar a los no residentes que asisten a las escuelas del Distrito 214.

El Distrito está contratando a un proveedor externo para verificar los datos de la dirección de los estudiantes. El proveedor usará el nombre y la dirección de un padre para verificar la información con otras bases de datos electrónicas públicas, como las compañías de servicios públicos. Se anticipa que la abrumadora mayoría de las familias tendrá su residencia comprobada electrónicamente. Una vez verificado, cada hogar recibirá una confirmación por correo electrónico y no habrá necesidad de presentar documentación adicional que certifique la residencia dentro de los límites del distrito. Se enviará una comunicación a las familias cuya residencia no pudo ser verificada electrónicamente. Se proporcionarán detalles sobre la documentación necesaria para completar el registro y verificar la residencia para el próximo año escolar.

Comuníquese con su Director de Operaciones Asociado si tiene alguna pregunta o inquietud con respecto a este proceso simplificado para nuestros padres.

Respetuosamente,

Cathy Johnson  
Superintendente Asociado de Finanzas y Operaciones

### Virtual - COMMUNITY SERVICE HOURS

Here are some ideas. Remember Rule #1: Stay Healthy!

1. Decorate your windows to thank first responders or essential workers. You can decorate with positive thoughts for little children too. Do the same with sidewalk chalk!
2. Tutor a fellow D214 student on Zoom
3. Use social media to promote D214 to ensure students are taking care of themselves. Spread Kindness & Inspirational Messages – Share uplifting stories or positive affirmations on social media or directly with your family and friends.
4. Contact your local church to see if they need helpers to call Senior Citizens
5. Write old-fashioned encouraging notes or letters to friends, neighbors, and loved ones. Email your teachers/counselors to thank them for the job that they are doing. Find old teachers and email them your gratitude!
6. Ask a teacher if they need help with something for class
7. Make homemade bookmarks with positive phrases that you can later donate to the school library.
8. Be the “tech guru” of your family and help organize a zoom chat
9. Do some Spring cleaning – Sort through your clothes and toys and make a box of unwanted items to donate. Clean out your bookshelf of older, lightly used DVDs and books and to eventually donate.
10. Make pet toys or shelters to donate to shelters – Did you know you can make dog toys with household items? Here's an idea to get you started:  
<https://barkpost.com/answers/how-to-make-a-t-shirt-dog-toy/>
11. Educate and bring awareness through social media, YouTube, etc. Here are some ideas to get you started, but the important part – find something you're passionate about! • Bring awareness to endangered animals, especially ones that don't widely get attention • Bring awareness to cyber bullying, then research and share how to effectively report/address it, how to avoid doing it, etc.
12. Read children's books and post on YouTube for elementary students to watch.

### Virtual - HORAS del SERVICIO COMUNITARIO

Aquí hay algunas ideas. Recuerde la Regla #1: ¡Manténgase Saludable!

1. Decore sus ventanas para agradecer a los primeros respondedores o trabajadores esenciales. Puede pintar con pensamientos positivos para los niños pequeños. ¡Haga lo mismo con la tiza de la acera!
2. Enseñe a un compañero estudiante de D214 en Zoom
3. Utilice medios sociales para promover D214 para asegurar que los estudiantes se cuiden de sí mismos. Difundir mensajes de amabilidad e inspiración – Comparte historias de elevación o afirmaciones positivas en medios sociales o directamente con su familia y amigos.
4. Póngase en contacto con su iglesia local para ver si necesitan ayudantes para llamar a los ancianos
5. Escribe notas o cartas alentadoras a la antigua a amigos, vecinos y seres queridos. Envíe un correo electrónico a sus maestros/consejeros para darles las gracias por el trabajo que están haciendo. Encuentra a viejos maestros y envíales tu gratitud!
6. Pregúntele a un maestro si necesita ayuda con algo para la clase
7. Haga marcadores con frases positivas que puede donar más tarde a la biblioteca escolar.
8. Sea el "gurú tecnológico" de su familia y ayude a organizarse una charla de zoom
9. Haga un poco de limpieza de primavera – clasifique su ropa y juguetes y haga una caja de artículos no deseados para donar. Limpie su estantería de DVDs y libros viejos y poco usados y donar eventualmente
10. Hacer juguetes para mascotas para donar a refugios - ¿Sabías que puedes hacer juguetes para perros con artículos de la casa? Aquí tienes una idea para empezar:  
<https://barkpost.com/answers/how-to-make-a-t-shirt-dog-toy/>
11. Eduque y traiga la conciencia a través de medios sociales, YouTube, etc. ¡Aquí hay algunas ideas para empezar, pero la parte importante – encuentre algo que le apasiona! •Traiga la conciencia a animales en peligro, especialmente a los que no reciben mucha atención •Traiga la conciencia a la intimidación ciber, y luego investigar y compartir cómo informar/dirigir con eficacia, cómo evitar hacerlo, etc.
12. Lea libros para niños y publique en YouTube para que los estudiantes de primaria los vean.

## **ASBESTOS HAZARD EMERGENCY RESPONSE ACT:**

In accordance with the Asbestos Hazard Emergency Act (AHERA) and the Illinois Asbestos Abatement Act (105 ILCS 105/), you are being notified that all District 214 facilities contain various amounts and types of asbestos-containing building materials (ACBM). These materials do not pose any hazard to individuals unless the materials are disturbed.

The District maintains compliance with all applicable governmental and regulatory asbestos rules and regulations. The District also maintains compliance with the Illinois Department of Public Health (IDPH) and Cook County Department of Public Health (CCDPH) guidelines for operations and maintenance activities. The District routinely performs operations and maintenance activities, required inspections, and surveillance activities to verify that the materials are being managed according to IDPH and CCDPH guidelines.

The Building and Grounds Department of each individual facility and the District Operations Department have copies of the AHERA Management Plans that describe the locations of all ACBM. These plans are available for inspection during regular business hours. Contact the Director of Operations for more information at 847-718-7619.

## **PESTICIDE APPLICATION NOTIFICATION REGISTRY:**

All District 214 facilities practice Integrated Pest Management to minimize the use of any pesticides on school grounds. The Structural Pest Control Act (225 ILCS 235/) and the Lawn Care Products Application and Notice Act (415 ILCS 65/) requires public schools to notify parents/guardians and school employees at least 48 hours (two business days) prior to any pesticide applications on school grounds. The term "pesticide" includes insecticides, herbicides, rodenticides, and fungicides. The notification requirement extends to both indoor and outdoor pesticide applications. Excluded from the notification requirement are antimicrobials such as disinfectants, sanitizers or deodorizers, insecticide baits and rodenticide baits.

Dear Parent/Guardian and Staff Members:

In 1999 the Illinois General Assembly passed laws requiring that public schools notify parents/guardians and school employees at least 48 hours prior to any pesticide applications on school property. The term “pesticide” includes insecticides, herbicides, rodenticides, and fungicides. The notification requirement extends to both indoor and outdoor pesticide applications. Excluded from the notification requirement are antimicrobial agents (such as disinfectants, sanitizers, or deodorizers), insecticide baits, and rodenticide baits.

Elk Grove High School has therefore established a registry of people who wish to be notified. To be included in this registry for school year 2022-23, please complete the form below and submit it to the Building and Grounds Supervisor at your school. Any other questions you may have regarding the District’s pest management practices may also be directed to the District 214 Director of Operations at (847) 718-7619.

## EGHS Summer Reading 2022: Become Your Own Hero

Elk Grove High School is excited to offer a diverse and engaging selection of summer reading books for 2022. Summer reading is a long-standing tradition at Elk Grove High School that has been instrumental in the promotion of a community of readers. Students will preview the options in their English classes and select their choices to participate in this year's reading program, and EGHS will provide the selected books to the students.

Research indicates that reading regularly for enjoyment can help students improve their vocabularies and reading comprehension, lower their stress levels, and provide opportunities for learning and growth. In addition, reading thirty minutes a day can enhance the ability to empathize with others and even increase life expectancy.

We encourage you to talk with your students about their potential book selections and to preview the list provided below. For more information about each title, please see our [Summer Reading 2022 Handout](#), our summer reading website (<https://eghslibrary.wixsite.com/egsr22>), or please consult reader reviews on such websites as [Goodreads](#) or [Amazon](#).

Dear Parent/Guardian,

## Immunization Requirement for the 2022-2023 School Year:

For the 2022-2023 school year, **all students entering 12th grade shall show proof of having received two doses of MENINGOCOCCAL CONJUGATE VACCINE (Menactra, Menveo, MCV4) prior to starting school.** The first dose should have been administered on or after their 11<sup>th</sup> birthday and the second dose on or after their 16<sup>th</sup> birthday. An interval of at least eight weeks between the first and second dose is required. **Only one dose of the vaccine is required if the first dose is administered when the child is 16 years of age or older. You do not have to wait until your child is going into 12th grade to get the 2nd dose of meningococcal conjugate vaccine - once your child turns 16 years-old they are eligible to receive it.**

Your child may have already received both doses of the required Meningococcal Conjugate Vaccine, however we may not have received proof that they were given. Please check with your child's medical provider to determine if they received the two Meningococcal Conjugate Vaccines and, if they were given, please ask that they complete all information indicated below, including their signature and office stamp. **If your child has not received both doses, you are required to get this vaccination for your child or your child will be subject to exclusion as described in the school code of Illinois.**

**Your child will not be able to receive their class schedule or attend school in August until all immunizations are up to date.**

Please submit this completed form or an updated immunization record to the Health Office at Elk Grove High School as soon as possible.

## Requisitos de Vacunación para el año escolar 2022-2023:

Para el año escolar 2022-2023, **todos los estudiantes que ingresen al 12 ° grado deberán mostrar prueba de haber recibido dos dosis de la VACUNA CONJUGADA MENINGOCOCCAL (Menactra, Menveo, MCV4) antes de comenzar la escuela.** La primera dosis debería haberse administrado en o después de su cumpleaños número 11 y la segunda dosis en o después de su cumpleaños número 16. Se requiere un intervalo de al menos ocho semanas entre la primera y la segunda dosis. **Solo se requiere una dosis de la vacuna si la primera dosis se administra cuando el niño tiene 16 años o más. No tiene que esperar hasta que su hijo ingrese al grado 12 para recibir la segunda dosis de la vacuna conjugada contra el meningococo; una vez que cumpla los 16 años, es elegible para recibirla.**

Es posible que su hijo ya haya recibido las dos dosis de la vacuna conjugada meningocócica requerida, sin embargo, es posible que no hayamos recibido pruebas de que se le dieron. Consulte con el proveedor médico de su hijo para determinar si recibieron las dos vacunas conjugadas contra el meningococo y, si se las dieron, solicite que completen toda la información indicada a continuación, incluida su firma y el sello de la oficina. **Si su hijo no ha recibido ambas dosis, se le exige que se vacune para su hijo o su hijo estará sujeto a exclusión según se describe en el código escolar de Illinois.**

**Su hijo no podrá recibir su horario de clases o asistir a la escuela en agosto hasta que todas las vacunas estén actualizadas.**

Envíe este formulario completo o un registro de vacunación actualizado a la Oficina de Salud de la Escuela Secundaria Elk Grove lo antes posible.

## Meningitis Vaccine Requirements:

office indicating the exception.

Please note - all students 16 years of age and older are required to receive a meningococcal vaccine prior to entering 12th grade. If the school health office does not receive proof that your child received the required meningococcal vaccine by the first day of school for the 2022/23 school year, your child can be excluded from school until the appropriate documentation is received by our school health office. Students who have a medical, or other reason, for not receiving the vaccine must provide documentation to the health

## Chronic Health Conditions:

School achievement is dependent upon effectively meeting the health needs of each student. If your student has a chronic health condition such as asthma, severe allergies, diabetes, or a seizure disorder, it is important for the school, medical provider, and family to work together to provide the best educational experience possible.

In an effort to provide your student the opportunity for a successful school year, a number of printable healthcare plans are available on the Elk Grove High School website under the Health Services tab: <https://www.d214.org/Page/265>. Care plans are designed to help the school nurse collaborate with your student's medical provider and family to ensure that the child's healthcare needs are met at school. You can print the care plan from the link listed above or contact the school health office to receive a care plan by mail or via email. A new/updated care plan must be completed and turned in at the beginning of each school year, or as soon as possible after the school year begins.

## Students Needing Medication at School:

If your student requires daily or "as needed" medication at school, or if they require an epinephrine injector or inhaler to self-carry or keep in the health office during the school year, we ask that the district medication permission form be completed for each medication needed. This form is located on the Elk Grove H.S. website under Health Services: <https://www.d214.org/Page/265>. Please sign and date the form and have your child's medical provider complete the section indicated. The form should then be turned into the school health office along with the medication. All medications provided to the school health office must be in their original container or packaging, or alternatively, the medication must be in an appropriately labeled container from a pharmacy.

## From the School Nurse.....

If you would like to schedule a meeting with the Elk Grove High School nurse, Morgan Vogel, R.N., regarding your child's healthcare needs, please contact her via email at: [morgan.vogel@d214.org](mailto:morgan.vogel@d214.org). A zoom or phone conference can be arranged at your convenience.

The health office phone number is: 847-718-4473  
The health office fax number is: 847-718-4562.

### Students with Asthma:

Illinois State Law requires that all students diagnosed with Asthma have an **Asthma Action Plan** on file with their school. An **Asthma Action Plan** is a plan developed by you and your child's medical provider that provides the school nurse with an individualized plan of care for your student in the event that they experience asthma symptoms at school or at school-sponsored events (such as coughing, wheezing, shortness of breath, chest tightness or difficulty breathing). We encourage you to consult with your child's medical provider whether or not the child can self-carry their emergency asthma medication at school or if you prefer to keep it with the school nurse. The **Medication Permission/Medication Self-Carry Form** must be completed and turned in along with the **Asthma Action Plan**. The links to all of the appropriate forms are listed below. We ask that you print out the forms you need, sign/date them, and have your student's medical provider complete their portion of the form. The completed forms should be returned to the School Nurse at your student's school.

## From the School Nurse.....

### Students with Severe Allergies:

Additionally...It is very important that the school nurse be made aware if your child has a severe allergy to any food, insects, latex, or other allergens. A **Severe Allergy Action Plan** should be completed by you and your student's medical provider and then be turned in to the Health Office at your student's school as soon as possible.

### Students with Epilepsy:

On July 1, 2020 the Seizure Smart School Act was signed into law in Illinois. One aspect of this law requires that parents/guardians of children with epilepsy provide a **Seizure Action Plan** to the school nurse so that medical care specific to their child can be provided at school or at school-sponsored activities. A link to further information regarding this new law is listed below. Additionally, a link to our district **Seizure Action Plan** is provided below as well.

# A letter from District 214 Board of Education President

Dear Parents & Guardians,

Another year is flying by ... so quickly, in fact, that already we are looking ahead to the home stretch of the 2021-22 school year and making plans for summer and next year. As always, this newsletter offers a glimpse of the many and varied learning opportunities for students and the wider community that are available through District 214.

April is Career Pathway Month in District 214, a time to spotlight the remarkable work that our staff does in building and refining the more than 40 pathways that allow our students to try out and immerse themselves in possible careers. Sometimes a pathway experience deepens a student's passion to pursue a certain career. Other times, a student learns that his or her interests lie elsewhere. Both outcomes are equally valuable.

For students who choose to look elsewhere, options abound. All year, Board of Education members have engaged in learning walks at our schools. It is such a privilege to enjoy these up-close views of the ways in which our dedicated staff challenge students and create a wealth of learning experiences that truly set District 214 apart.

This is a good time to remind parents and guardians that summer school will be here soon, offering some students the opportunity to make up coursework and others the chance to work ahead. John Hersey High School will host the 2022 in-person summer school courses. [Additional information](#) may be found on the District website.

Finally, registration is now open for spring District 214 Community Education classes, which begin the week of March 28. [Take a look](#) at the in-person and online classes -- including new offerings. I think you'll find that Community Education presents rewarding learning opportunities for people of all ages and all interests.

Thank you for all you do to support student success; we look forward to a full and successful spring.

Sincerely,

A handwritten signature in black ink that reads "W. J. Dussling". The signature is written in a cursive, flowing style.

William J. Dussling, President  
214 Board of Education

## Adult Education & Family Literacy supports families through Prevention Initiative Program

The Prevention Initiative Program, which is part of Community Education's Adult Education and Family Literacy program, is seeking to enroll pregnant women and families with children from birth to age 3 who qualify for services due to developmental delays, language or economic disadvantage. The Prevention Initiative (PI) is a free program of home visits funded by the Illinois State Board of Education and aligned with the research-based Baby TALK Model.

The purpose of the PI program is to provide early, continuous, intensive and comprehensive evidence-based child development and family support services. The program incorporates developmental assessments and functional hearing and vision screenings to monitor the child's development and well-being. All services and activities are free, and are provided in both English and Spanish.

This program operates year-round and offers visits to families in their homes twice per month. Parent education and parent/child interaction are included in each home visit. To register for an assessment, visit [form link](#).
