Buffalo Grove High School  
2024-2025 Third Quarter

## A Letter from Principal Wardle

Dear Parents and Guardians,

As we kick off the third quarter of the school year at Buffalo Grove High

School, I'm excited to take a moment

to share some updates and celebrate the incredible achievements of our students and staff. It's a privilege to be part of this journey with you and your students, and I'm so grateful for the partnership and support you bring to BGHS every day.

This year, our theme—"Be Kind, Be Curious, Be Brave, Belong"—continues to shape everything we do. These words aren't just a motto; they're a way of life here. I see them come to life in so many ways, from the kindness in our hallways to the curiosity in our classrooms, the bravery on our stages and courts, and the sense of belonging that makes BGHS feel like home.

Our students have already achieved so much this year. In athletics, we've cheered on amazing performances, with several of our athletes proudly representing BGHS at state finals. Watching their dedication and sportsmanship is always inspiring. In the fine arts, our talented performers and creators have been earning top honors at competitions and leaving audiences in awe with their creativity and passion. And I'm especially proud of the growing involvement in clubs and activities—we've seen the highest participation in five years! It's wonderful to see so many students discovering new interests, forming connections, and finding their place.

We're also thrilled to share the progress we've made on our northern exterior athletic and PE facilities. Phase 1 of 3 is officially complete! Thanks to your patience and support, we now have a brand-new varsity softball field, ten beautiful tennis courts, and a full-size turf field that's already enhancing the PE experience during the day and supporting our field sports teams in every season. These upgrades reflect our commitment to giving every student the tools and spaces they need to excel.

As I reflect on the first semester, I feel an overwhelming sense of pride in what we've accomplished together as a community. Our students are building on the BG legacy, and it's inspiring to watch them grow into leaders. I can't wait to see what they'll achieve next.

Thank you for trusting us with your children and for being such an important part of our BGHS family. Let's keep celebrating, learning, and growing together as we move forward into the rest of the year.

.

OneBG,

A handwritten signature in black ink that reads "Jeff Wardle". The signature is written in a cursive, flowing style.

Jeff Wardle
