Buffalo Grove High School
2021-2022 Second Quarter

A Letter from Principal Wardle

Parents and Guardians,

I want to thank you for your continued support and investment into your students' lives as we dive into the 21-22 school year. Our back-to-school theme this year has been supporting students' return to a normal school environment and in-person learning and co-curriculars, which means a special attentiveness to the social, emotional, and academic return. It has been a wonderful start, and the energy, enthusiasm, and life of 2,000 young adults has been invigorating.

One of the best ways to connect here at school is through our clubs, activities, and athletics. Research continues to show that having a caring adult and finding the outlet for an area of passion in high school decreases substance abuse, loneliness, and depression, and increases grades and healthy relationships. For a comprehensive list of opportunities, [click here!](#)

As many of the 1st quarter activities wrap up, including a successful homecoming week, fall athletics, band, orchestra and choir concerts, and our fall play, we look

forward to 2nd quarter events, fall season sports entering state tournaments, and our winter fine arts performances.

Please remember to sign up for our virtual Parent Teacher Conferences this year, and I look forward to seeing many of you at our upcoming events. For all parents that support BGHS with your involvement and volunteering, a big thank you for helping us create a great experience for every child!

#OneBG,

Jeff Wardle
